

Busy season is right around the corner for community association professionals, including annual meeting preparations and important association votes.

Are you ready?

Online voting software, **BeckerBALLOT.com**, along with website development platform, **MyCommunitySite.com**, were borne out of a desire to simplify the lives of people like you.

Join us for **two distinct webinars** designed to give you an **inside look** at how BeckerBALLOT.com and MyCommunitySite.com can help **streamline operations** for your association.

- Walk through of BeckerBALLOT.com and its administration section/voting portal
- See examples of how others have successfully utilized the platform to benefit their communities
- View a demonstration on how to upload users, how to set up a vote, how to cast a vote, and more
- Learn about the functionality and ease of use
- Find out about our flexible pricing options
- Participate in a Q&A with our customer support team to answer any questions you may have
