

Becker Expands Florida Land Use Practice

October 18, 2018

By: **Jeremy Shir, Kathleen O. Berkey, AICP**

We now have a West Coast compliment to **Jeremy Shir's** established East Coast planning, zoning and entitlements practice.

Kathleen O. Berkey has recently joined our **Community Association** and **Land Use and Zoning** practices as a shareholder attorney and certified land planner (AICP) in Fort Myers. Kathleen joined us on September 21st.

Her practice focuses on community association law and land use/development-related issues including planning, zoning, and entitlements. In addition to her professional achievements, she was recently named to the Naples Herald's Top 40 under 40 list.

Her skills and experience will greatly expand the range of capabilities that we offer clients at Becker.
