October 2, 2020

By: Gary C. Rosen

With its gift of an additional PTO day for employees to use at their discretion, Becker joins the list of prestigious U.S. businesses actively encouraging employees to vote in the 2020 Presidential election.

“As Americans, it is our privilege to participate in the choice of our country’s leadership,’ said Becker Managing Shareholder Gary C. Rosen. “We strongly encourage everyone – including Becker lawyers, lobbyists, and staff – to be a part of the democratic process by exercising your right to vote.”
