

George Burgess Addresses Miami-Dade's Beacon Council

April 19, 2017

George M. Burgess, Becker & Poliakoff's Senior Government Relations Strategist and Consultant and active member of the firm's [Public Private Partnerships Group](#), recently spoke at [The Beacon Council's One Community One Goal \(OCOG\) Physical Infrastructure and Resiliency Access Breakfast](#).

OCOG provides Miami-Dade County with a roadmap for future economic development success. George is one of South Florida's most experienced public administrators, having served as the driving force behind such public infrastructure improvements and projects as the Port of Miami tunnel, the South and North Terminals at Miami International Airport and the Adrienne Arsht Center for the Performing Arts as the Miami-Dade County Manager.
