

“Home Heartache,” WSVN 7 News Miami

February 22, 2021

By: David K. Blattner

Buying a home is a complex undertaking that, in order to reach a smooth conclusion, requires the good faith efforts of all parties involved. When that trust is compromised, the process of recovering monies invested or enforcing protective contract clauses can become volatile and overwhelming for homebuyers.

Veteran real estate attorney [David Blattner](#) discusses the recent dream-turned-nightmare scenarios he is hoping to resolve on behalf of his buyer clients, and how their experiences are not unusual in the hot South Florida housing market.
