Becker mourns the loss of our friend and colleague, Lee Burg, who passed away on Monday, March 4th, after a short illness. Lee had been with the firm for 37 years and was a shareholder in our Community Association Practice. Beloved by all, his intellect, wit, and tireless charm are the hallmarks of his remarkable character. He will be missed by all those who knew him. We extend our deepest sympathies and heart-felt sentiments to Lee's family.
