

# Jie Xiu and Brian Daughney on China Targeted M&A Re-Emerges in SPAC World

October 30, 2018

By: Jie Chengying Xiu, Brian Daughney

Recently there has been an uptick in China targeted mergers and acquisitions using the formerly and again popular reversemerger concept through special purpose acquisition companies (SPACs).

For purposes of this discussion, “China targeted” includes businesses that may be located in China or based in the United States which cater to the domestic China community. In this article, we will examine some of the legal and regulatory issues, the structural characteristics of these transactions, and the relevant factors driving this recent trend.
