Miami Dade College (MDC) celebrated one of its most cherished traditions, recognizing distinguished alumni making a difference in the community and beyond at the 2015 Alumni Hall of Fame Awards Gala, which was held at the Hilton Miami Downtown.

This year's inductees represent a variety of industries including business, health care, visual arts, journalism, sports, law, and public service. Hall of Fame inductees are recognized for the positive impact on their profession, the community and the College. The Hall of Fame Awards Gala not only honors the outstanding recipients but also serves as a fundraiser for student scholarships. Thanks to our sponsors more than 1,000 tickets were sold for this event. The MDC Foundation would like to give especial thanks to its presenting sponsors: Mitchell Wolfson Sr. Foundation and OHL-Arellano Construction as well as its featuring sponsors: Leon Medial Centers and Oceania Cruises, Inc.
