

## Webinar: Risky Business: What Owners Need to Know When Reopening

May 20, 2020

By: **Kenneth S. Direktor, Steven B. Lesser**

Community associations, country clubs, retail owners, and mixed-use facilities have all implemented strict protocols in response to COVID-19, including restricting access to common areas and shared amenities. As owners begin to look ahead to reopening many of these spaces, the big question is – how do they do so safely? Becker

attorneys are joined by experts from Signal Restoration, a leading provider of commercial sanitization services, to explore important questions on what owners need to know about reopening facilities.

Watch the replay below.
