By: Yolanda Cash Jackson

In recognition of her “Superheroic” efforts for the organization, Yolanda Cash Jackson, shareholder in our Government Law & Lobbying Group, will be inducted into the Children Of Inmates League of Superheroes. The induction ceremony will be held in the State Capital Rotunda at 10am on February 13.

Already a three-year inductee, Yolanda will become a “Super Senior” with the group. Quick to recognize the impact of the organization and the need for children throughout Florida to access its services, Ms. Jackson urged Children of Inmates to seek appropriations in the State of Florida annual budget and has guided legislative efforts to procure over \$1.2 million in state appropriations for the program over three years.
